Handicap Placard **THEFT PREVENTION**

PROTECT YOUR VALUABLES

- 1.** Do not drive around with your handicap placard hanging from the rearview mirror.
- 2.** Only use the handicap placard when parked in a designated handicap parking space.
- 3.** When not in use - place the placard in a locked glove box or other secured areas in the vehicle where it can't be seen.
- 4.** Make sure your vehicle is secured at night.
- 5.** Consider permanent hard registration plates for the vehicle instead of the placard.
