Mayor's Message by Brandon Paulin

Hello all!

It's been an exciting few months for me personally. As some of you may know I am the new head wrestling coach at Henry E. Lackey High School. As we approach the end of the season, come out and support some great local kids!

In Town news, the CIRI property (now Anchorage), is moving forward. This development will add a great quality development that will help grow, improve, and be a great addition to the Town.

The CSM Velocity Center is nearing completion. We look forward to this great addition to Town. Leases are available at the Velocity Park! If you know anyone that wants to start up or relocate a business check it out.

The Town of Indian Head is moving forward with the purchase of the

Henderson property along the Potomac River. With the addition of this property we will look at a future possible expansion of the boardwalk and create economic development along the Potomac riverfront.

Last but certainly not least, the youth enrichment center. Once the PNC ATM is removed from the old PNC building, we will start preparations and hopefully soon thereafter work to outfit and improve the facility for our new youth enrichment center. We anticipate this to fulfill educational, recreational, and human service needs for all of western Charles County! Stay tuned for more information.

Have a great spring everybody!
Until next time,
Mayor Brandon Paulin

Town of Indian Head Useful Information

Town Codes

- **Burning**—No burning is allowed within the Town limits.
- **Animal Control**—Dogs must be kept on the owner's property unless properly restrained. The Charles County Animal Control provides animal enforcement within the Town. Call 301-932-1713 if you have a problem.
- **Abandoned or Inoperative Vehicles** are prohibited within the Town and may not be kept on the street for more than 24 hours or on private property, with certain exceptions. Call Code Enforcement at 301-743-5511 ext. 101 with any questions.
- **Property Maintenance**—Every dwelling and lot shall be kept free from trash and garbage. Weeds and grass must be cut and kept shorter than 10 inches.
- **Building Code**—The Town has an adopted building code. Any new construction or remodeling, including, but not limited to porches, fences, sheds and garages, requires inspection and a building permit from the Town.

Code Enforcement

Planck administers the Residential Property Maintenance and Building Codes for the Town of Indian Head. The Code Enforcement Officer does daily inspections throughout Town to check for code compliance. When a property is not up to code, the Code Enforcement Officer will issue a violation letter to address the code violation. Depending on the type of violation, the days for corrective action can be between 7 to 30 days. After the specified number of days, a fine letter will be issued for an additional 7 to 30 days, followed by a citation if the violation has still not been addressed. At the time that the citation is issued, the violation may be taken to court, or the Town may complete the needed property maintenance and lien the property for any costs incurred. The Town's Code Enforcement also does rental license inspections, and building permit inspections.

If you have any questions about the Code Enforcement process, if you would like to report a Code Enforcement violation, or if you need to speak with the Code Enforcement Officer in reference to an inspection, please call 301-743-5511 ext. 101.

Recycling/Yard Waste

Solid waste products such as glass jars and bottles, newspapers, plastic bottles and metal cans will be picked up at the curb every Thursday within the Town of Indian Head. Place these items in your recycling bin - no need to separate them. Have them curbside by 7:00am.

Yard waste will be collected on Wednesdays, year-round, weather permitting. Grass clippings and leaves must be placed in brown paper bags or in a trash container marked "Yard Waste" and placed at curbside. Brush must be bundled and must not be any longer than four feet (4') in length. Individual pieces of brush must not be any larger than six inches (6") in diameter.

Bulk trash can now be scheduled year-round on Wednesdays. Fee of \$50 (cash, money order, debit/credit **ONLY**) per scheduled pick-up must be paid in advance at time of scheduling at Town Hall. All items must be curbside by 7:00am on the pre-scheduled pick-up day but not earlier than 48 hours prior to pick-up day.

Utility Rates

The Town bills for utilities on a quarterly basis. Please make note that you will be receiving a bill four times a year (July, October, January and April). **You are encouraged to make an estimated payment monthly toward your quarterly bill.** For more information you can call Town Hall at 301-743-5511

Water & Sewer Rates

Minimum rate for all residential customers **\$70.40**
(per dwelling unit per quarter) plus
\$6.85 for every 1,000 gallons used
Minimum rate for all commercial customers **\$212.80**
(per unit per quarter) plus
\$6.85 for every 1,000 gallons used

Bay Restoration Fee

\$15.00 to State of Maryland Comptroller's office for the Bay Restoration Fund

Trash Rates

Residential/Multiple Residential Rate: \$85.00 (per dwelling unit per quarter) - Billed quarterly for twice a week curb-side pickup and one (1) recyclable products pickup per week. (Trash must be in a 20 to 32 gallon metal or hard plastic trash container with a secured lid)

Commercial Rate:

Category I	Dumpster (4cu yds)	\$495.00 per qtr
Category II	Maximum 2 cans (per unit)	\$95.00 per qtr
	Each additional can	\$46.00 per qtr

All residential and commercial units within the Town of Indian Head shall avail themselves of the Town's curb-side trash collection service.

Make Spring Cleaning a Fire Safety Priority

As we finally say goodbye to winter, our thoughts turn to warmer temperatures and cleaning our homes and yards. A good spring housecleaning can significantly help promote fire safety in your home. Spring cleaning can take on another meaning, it's the ideal time to check homes and yards for dangerous materials and unsafe conditions and spend the time to protect families and properties. In an effort to help with this project, the Indian Head Volunteer Fire Department would like to provide the following safety tips.

When cleaning the inside of your home, don't forget to check these vital life safety devices and areas thoroughly.

- Smoke alarms increase your chances of surviving a home fire by 50% so be sure to check these devices for proper operation and be sure to clean them by vacuuming them as part of your cleaning.
- Check the age of the smoke alarms, they should be replaced every ten years according to the manufacturers of the devices.
- **As a reminder, in the state of Maryland, if you replace your smoke alarms you must replace them with a new 10-year sealed battery alarm.**
- If you have a fire extinguisher in your home this is a good time to check it and replace it if necessary. If you have an ABC Dry Powder extinguisher it needs to be replaced every 12 years.
- This is also a good time to check all electrical equipment and appliances for damaged or frayed cords and replace them if necessary.
- Be sure to check your electrical outlets to ensure that they're not overloaded or damaged.
- Remember to check for lint buildup from your dryer in the hose and vents.
- Clean your oven and stove making sure you get all the grease and unwanted buildup to prevent a fire.

- Sunday, March 8th is Day-Light Savings time so when you change your clocks, you should also take the time to clean and test your smoke alarms. If they are not working properly, it's time to replace them.
- If you or a neighbor are in need of a 10-year battery smoke alarm or if you have any questions or concerns about Fire Safety/Prevention, please contact the department at 301-753-9400 or 301-743-3900 or the Community Affairs office at 301-743-2479.

Pay special attention to more than the pretty flowers when outside!

- Be sure to remove all outdoor debris and dead vegetation away from home to help reduce the potential of a fire starting in your yard and extending to your home.
- **As a reminder, there is no outdoor burning permitted within in the Town limits.**
- Be sure your address number is in good condition and visible for all Emergency Services to see in the event of an emergency and if needed replace the numbers with new ones.
- Properly dispose of oily or greasy rags. If these items must be stored, they should be kept in labeled, sealed, metal containers.
- If you store gasoline, keep it outside your home in a shed or detached garage. Keep small quantities in tightly sealed containers. Use gasoline only as a motor fuel - never as a cleaning agent.
- Use outdoor barbecue grills with caution. Place in a safe area away from building, windows, heating, ventilation and air conditioning units or places with high/dead vegetation.
- Barbeque gas grills should be thoroughly inspected, including gas hoses, connections, burners and propane tanks should be inspected prior to use.

As part of our Spring Cleaning, many of us take this opportunity to get rid of many of the old and/or unwanted household chemicals and yard fertilizers. As a reminder, these chemicals should be stored in their original containers and properly disposed of at the Charles County landfill at no cost to you.

Here are a few examples of these types of products:

- Pesticides, fertilizers and weed killers
- Pool chemicals
- Paint and thinners
- Gasoline or other flammable/combustible liquids
- **NEVER** dispose of these types of products in the trash as they could leak causing a chemical reaction and possibly start a fire.

While performing your annual Spring Cleanup and by following these simple safety tips you can greatly improve your home safety and reduce your chances of a fire in your home. You can do a lot to protect yourself, your family and your property. In fact, you are the key to your safety. A little time spent on simple common-sense prevention makes your house a safer place.

If you are interested in serving your community and becoming part of our team, please stop by and see us.

**Change your
CLOCKS...**

**Change your
BATTERIES!**

Daylight Savings Time (DST) Begins at 2:00 am on Sunday, March 8, 2020. Remember, your clocks jump forward 1 hour and at this time the batteries in your smoke alarm and your CO2 alarm need to be changed. This way your alarms will be constantly working and helping get your family get out in case a fire is started.
