 **No Annual
Holiday Festival
2020** 

**Wishing Everyone A Healthy
& Blessed Christmas Season!**

**No Gingerbread
House Classes 2020**

Sorry that Covid-19 has cancelled our classes this year!

If you continue the tradition at home—please forward pictures of your gingerbread creation to karen@townofindianhead.org or 240-375-4061 so we can share them on the Town's Website & Facebook Page.

Mayor's Message by Brandon Paulin

Hello everybody!

The past few months have been a whirlwind for everyone, but while everyone's lives have been changed from this pandemic, our town continues to make great progress! Energetics Technology Center recently announced a lease for the Velocity Park further solidifying that CSM will and is acting as an economic catalyst for the town. That isn't the only opportunity we have heard either! As more is announced we will be sure to keep you updated.

Our holiday season is underway, and things are changed. Throughout the newsletter you can find how we are adapting to keep some of your holiday favorites going during these unprecedented times. Additionally, remember those that can't be with family this holiday like the brave men and women who defend our country right here in Indian Head. We are honored to be a town that hosts hundreds of active duty men and women of our armed forces at our naval

base. In an effort to make their holidays special too, the Military Alliance Council will be planning special things for them, but we need your help. Keep a look out for coming information on how you can help via our FB and email lists!

Thank you for doing your part in making the holidays cheery and bright despite this crazy year.

Happy Holidays,
Mayor Paulin

Public Notice Regarding Town Hall Operations

The Town of Indian Head's highest priority is the safety and well-being of our residents, staff, and visitors. The following adjustments have been made to Town Hall operations beginning Monday, November 23, 2020 and until January 2021.

The Indian Head Town Hall is now closed for walk-ins by the public. All contact with Town Hall should take place through phone at 301-743-5511, or by email at: info@townofindianhead.org. You can also find a list of staff extensions and email addresses on the Town's website: www.townofindianhead.org.

Water/Sewer Payments: Water/Sewer payments may be dropped off at Town Hall in the secure drop box to the right of the front door (check or money orders only, no cash). Residents may also pay by phone with a credit or debit card by calling Town Hall (*with no additional charge*) during regular business hours Mon.-Fri. 8:30am-4:30pm, or via our convenient payment methods through the Town's website (*\$4.25 service charge will still apply*).

Permits: Please call Town Hall to coordinate your permit drop-off or pickup or email diane@townofindianhead.org.

In addition, all meetings will continue to be held on the GoToMeeting platform. If you would like to log in for a meeting please go to <https://gotomeet.me/TOIH> You can also dial in using your phone by calling 1 (571) 317-3122, access code: 135-757-733.

If you have a Town related emergency afterhours, please call 240-375-4061.

Please check the Town's website, www.townofindianhead.org for further updates to Town Hall operations.

The people of God at St. James' in Indian Head continue to worship through Zoom, Facebook, and with outdoor services (weather permitting).

Sundays - 10 a.m.
Wednesdays in December - 8 a.m.

We also offer Bible Study at noon on Wednesdays
For information, please call 301.743.2366 or visit our website
at stjamesindianhead.org

We are currently offering the Community free access to our Wi-Fi. One can simply come to the parking lot and sit in their car to use this service. Call for more details.

Please check our website for details and sign up sheet for the outside, in-person worship.

As of 11/19 we are planning a Drive-thru Spaghetti Dinner on 12/1 from 5 until 6:30. As always, this event is our gift to the community - no charge!

We are also planning a Drive-thru Fish Fry on 12/4 from 11 until 6.

Please call, check our website, or check the sign out front for the latest news! God Bless you – stay healthy – be safe!!

Town of Indian Head Useful Information

Town Codes

- **Burning**—No burning is allowed within the Town.
- **Animal Control**—Dogs must be kept on the owner’s property unless properly restrained. The Charles County Animal Control provides animal enforcement within the Town. Call 301-932-1713 if you have a problem.
- **Abandoned or Inoperative Vehicles** are prohibited within the Town and may not be kept on the street for more than 24 hours or on private property, with certain exceptions. Call Code Enforcement at 301-743-5511 ext. 101 with any questions.
- **Property Maintenance**—Every dwelling and lot shall be kept free from trash and garbage. Weeds and grass must be cut and kept shorter than 10 inches.
- **Building Code**—The Town has an adopted building code. Any new construction or remodeling, including, but not limited to porches, fences, sheds and garages, requires inspection and a building permit from the Town.

Code Enforcement

Planck administers the Residential Property Maintenance and Building Codes for the Town of Indian Head. The Code Enforcement Officer does daily inspections throughout Town to check for code compliance. When a property is not up to code, the Code Enforcement Officer will issue a violation letter to address the code violation. Depending on the type of violation, the days for corrective action can be between 7 to 30 days. After the specified number of days, a fine letter will be issued for an additional 7 to 30 days, followed by a citation if the violation has still not been addressed. At the time that the citation is issued, the violation may be taken to court, or the Town may complete the needed property maintenance and lien the property for any costs incurred. The Town’s Code Enforcement also does rental license inspections, and building permit inspections.

If you have any questions about the Code Enforcement process, if you would like to report a Code Enforcement violation, or if you need to speak with the Code Enforcement Officer in reference to an inspection, please call 301-743-5511 ext. 101.

Recycling/Yard Waste

Solid waste products such as glass jars and bottles, newspapers, plastic bottles and metal cans will be picked up at the curb every Thursday within the Town of Indian Head. Place these items in your recycling bin—no need to separate them.

Yard waste will be collected on Wednesdays, year-round, weather permitting. Grass clippings and leaves must be placed in brown paper bags or in a trash container marked “Yard Waste” and placed at curbside. Brush must be bundled and must not be any longer than four feet (4’) in length. Individual pieces of brush must not be any larger than six inches (6”) in diameter. Both Recycling and Yard Waste must be curbside by no later than 7:30AM. Bulk trash can be scheduled year-round on Wednesdays. Fee of \$50 (cash or money order **ONLY**) per scheduled pick-up must be paid in advance at time of scheduling at Town Hall. All items must be curbside by 7:00am on the prescheduled pick-up day but not earlier than 48 hours prior to pick-up day.

REMINDER: Please do not rake leaves or blow grass clippings into the storm drains.

Utility Rates

The Town bills for utilities on a quarterly basis. Please make note that you will be receiving a bill four times a year (July, October, January and April). **You are encouraged to make an estimated payment monthly toward your quarterly bill.** For more information you can call Town Hall at: 301-743-5511.

Water & Sewer Rates

Minimum rate for all residential customers \$ **70.40**
(per dwelling unit per quarter) plus
\$6.85 for every 1,000 gallons used

Minimum rate for all commercial customers \$**212.80**
(per unit per quarter) plus
\$6.85 for every 1,000 gallons used

Bay Restoration Fee

\$15.00 to State of Maryland Comptroller’s office for the Bay Restoration Fund

Trash Rates

Residential/Multiple Residential Rate: \$ 85.00 (per dwelling unit per quarter) - Billed quarterly for twice a week curbside pickup and one (1) recyclable products pickup per week.

Commercial Rate

Category I Dumpster (4cu yds)\$495.00 per quarter
Category II Maximum 2 cans \$95.00 per quarter
(per unit)
Each additional can \$46.00 per quarter

All residential and commercial units within the Town of Indian Head shall avail themselves of the Town's curbside trash collection service.

The Black Box Theatre looks forward to opening its doors again to the Arts Community in the future. We have used this time to improve our facility both inside and out. Continue to follow us on Facebook and on our Website as we add virtual performances throughout the winter.

The Indian Head Center for the Arts would like to Wish Everyone a Safe and Happy Holiday Season.

Winter/Holiday Fire Safety

Winter is fast approaching, and this means colder temperatures and the holiday season. This time of year is intended to be cheerful and loaded with family, friends, and memories. Unfortunately, this time of year is also full of busy days and nights for all as we try to find time to keep ourselves safe and still attend to the necessities. Unfortunately many of us get so caught up in the hustle and bustle of the holidays and tend to pay less attention to the details and take many shortcuts especially when it comes to Holiday Fire Safety and heating our home during the cold months, which can result in tragedy from fire damage, injuries and even deaths.

Did you know?

- About 3,500 Americans die each year in fires and about 20,000 are injured.
- 80% of all fire deaths occur in the home.
- According to the United States Fire Administration (USFA), fires occurring during the holiday season claim the lives of over 400 people, injure 1,650 more, and cause over \$990 million in damage annually.

In an effort to make this time of year incident free and safe for all, the Indian Head Volunteer Fire Department and Rescue Squad Inc. would like to offer the following Fire safety tips for all:

Home Heating:

The leading cause of residential fires during the winter months is heating appliances and the misuse of these devices. The following are some safety tips that need to be observed when using any form of heating devices within your home.

- Be sure to follow the manufacturer's operating and maintenance instructions.
- When buying a space heater, be sure to look for the UL or FM testing laboratory label. This ensures the heater has been tested by a safety laboratory and certified.
- Ensure the heater is equipped with an emergency tip-over device. This will ensure that if the heater is knocked or tipped over it will shut off automatically.
- If you use a fireplace for heating your home be sure to have it professionally cleaned and inspected each year.
- Always use a fire screen and burn only appropriate materials.
- Be sure to properly dispose of the ashes in a metal container and store it away from your home.
- Be sure to use only the appropriate fuel in these heaters, using the wrong or inappropriate fuels can lead to an explosion, fire, and serious injury.

Carbon Monoxide Poisoning:

Carbon monoxide is an odorless and tasteless gas that can make you and your family members sick and can even cause death. Some symptoms of carbon monoxide poisoning include headache and dizziness, nausea, convulsions, respiratory arrest which can lead to death. Carbon monoxide is caused by the incomplete combustion of fuel products such as fuel oil, propane, natural gas and even the log in your fireplace. If you heat your home with any of these types of fossil fuels please follow these simple tips to help keep your family safe.

- Be sure to install at least one Carbon Monoxide alarm in your home.
- These devices should be placed either in the hallways or in the sleeping areas of the home.
- Purchase a device that is electric with a battery backup to ensure they work in the event of a power failure.
- Should your detector go into alarm, leave your home as is and contact the fire department. By opening windows and doors to ventilate the home, the fire department could get false readings on their meters.
- Be sure to replace the battery in these devices annually just as you would in a smoke alarm to ensure their operability.

Cooking Safety:

The kitchen is the heart of the home, especially during the holidays. Family, especially the children love to be involved with the preparations. Safety in the kitchen is important all year but especially during the holiday season when there are a lot of activities and people at home. Cooking equipment, most often a range or stovetop is the leading cause of reported home fires and home fire injuries in the United States. In addition, cooking equipment is also the leading cause of unreported fires and associated injuries this time of year. Here are some cooking safety tips to help keep you and your family safe in the kitchen.

- The leading cause of fires in the kitchen is unattended cooking.
- Be sure to stay in the kitchen when you're frying, broiling, or baking any food. If you must leave the kitchen for even a short period of time, have an adult watch the cooking or turn the stove off.
- If you are simmering, roasting or broiling, be sure to check it regularly and use a timer to remind you of cooking times.
- **STAY ALERT!** Be sure to be well rested and try to stay away from alcohol to reduce your chances of fatigue and altered mental status.
- Be careful around the burners and heating elements, keep all potholders, oven mitts and other combustibles away from the heat.
- Be sure to wear short, close fitting or tight rolled sleeves when cooking. Loose clothing can dangle over the stove burners and can catch on fire.
- Be sure to have a 3 feet "Kid-Free Zone" around the stove and oven to prevent children from getting too close to the appliances and possibly getting burned.

If a fire on the stove occurs, please remember the following:

- Stay calm.
- Smother the fire by placing a lid on top of the pan. • Turn the burner off and allow the pan to cool completely before removing it from the stove.
- If a fire occurs in the oven, leave the door closed as fresh air will cause the fire to accelerate.
- Turn the oven off and allow it to cool completely before opening the door.

Decorations:

- Be sure to purchase and use only UL or FM approved indoor and outdoor lighting and decorations.
- Be sure all electrical cords are in proper working condition with no frayed or damaged areas.
- Never attempt to repair any lighting or extension cords; this could cause a fire due to a short circuit.
- Never overload electrical outlets, all the manufacturers strongly recommend not to link more than three strands of lights together on one extension cord or power supply.
- Be sure to connect all lighting to the extension cords before plugging the cord into an outlet to reduce a power surge on the electrical system.
- Check all wiring periodically, they should never be warm or hot to the touch. If they do become warm or hot, you should disconnect them immediately and replace them.
- Be sure to turn off or unplug all lighting and decorations when you are not at home or go to bed.
- Never leave holiday lighting unattended.

Christmas Trees:

According to the United States Fire Administration, during the past 5 years U.S. fire departments have responded to an average of 250 home fires that started with Christmas trees per year. These fires caused an average of 14 deaths, 26 injuries, and \$13.8 million in direct property damage annually.

If you use a live Christmas tree be sure to follow these safety tips:

- Be sure to choose a freshly cut one. The needles should be green and hard to pull off the branches.
- Tap the tree on the ground and see if the needles fall off, if they do the tree has begun to dry out and could be a severe fire hazard.
- Before setting the tree up in your home be sure to cut one to two inches off the trunk to allow the tree to draw water from the stand more evenly.
- Be sure to use a stand with a base for better balance and a deep-water reservoir to immerse the trunk. This will allow for ample water helping to keep the tree fresh.
- Be sure to check the water level daily and add water as needed.
- Keep the tree away from all heat sources such as fireplaces, heat registers and portable heaters to prevent it from drying out.
- Be sure to set the tree up out of traffic areas to prevent it from being knocked over and from blocking your exit from the home in the event of an emergency.

- Be sure to dispose of your tree properly before it dries out by taking it to a recycling center or having it hauled away by a community pick-up service.
- If you are using an artificial tree, be sure that it has the UL or FM label on it.

Smoke Alarms:

As always, please ensure that your home has working smoke alarms installed and remember, **Smoke alarms increase your chance of surviving a fire in your home by 50%**

- According to the new Maryland Law, if you are replacing your existing battery-operated smoke alarms you must replace them with a new 10-year battery device. This includes even the ones that are hard-wired with battery backup.
- Every home should have at least one smoke alarm installed on each floor.
- Per manufacturer's specifications, all smoke alarms should be replaced every 10 years.
- If you or your family are in need of these vital life safety devices, please contact the Fire Station or the Community Affairs Office.

The Indian Head Volunteer Fire Department & Rescue Squad would like to wish everyone a Happy and Safe Holiday Season. By following these basic safety tips, you and your family can enjoy a Fire Safe Holiday Season. For more information on Fire/Life Safety or if you have any questions contact the fire station at 301-743-3900 or 301-753- 9400.

The Indian Head Senior Center is located on the Village Green in the Old Post Office. Our address is 100 Cornwallis Square. If you are at least 60 years young we encourage you to be a part of our fast-paced center, where we encourage our seniors to be independent as long as possible physically, mentally, spiritually, and socially.

Indian Head Senior Center

During these unsettling times we want to offer as many activities that will keep you safe. All activities that we are offering will be outside weather permitting. We are having difficulty getting the word out to most of the seniors, so please share all information with your senior friends and/or help them navigate the web for updates on the programming.

Social distancing guidelines are being followed at all Charles County Senior Center programs. In-person events require a mask any time you are within 6 ft of another participant. We also encourage you to bring water to ensure you stay well hydrated at these outdoor venues. Call 301 743-2125 for reservations, space is limited.
