

TOWN COUNCIL WORK SESSION MINUTES
Teleconference via GoToMeeting
Wednesday, December 17, 2025
3:32pm

Mayor Paulin and Councilwoman Stillwell met in a work session via teleconference on Wednesday, December 17, 2025. Also, in attendance were Town Manager Hicks and Town Clerk Andrea Brady.

Website Update/Town Seal – The Council discussed the draft AI seal. While they like the direction it is going in, they would like to see it cleaned up by a graphic designer, with a more classical look. Town Clerk Brady was able to reach out to a company who has worked with other municipalities on their seals and logos. She will reach out to them to move forward with both a seal redesign as well as a more informal logo. Town Clerk Brady and Town Manager Hicks will work with the company during the draft process and will keep Council informed as it progresses with the final decision being subject to their review and approval. The website redesign will be on hold until the new seal and logo are complete.
